The Anatomy of cracking Interviews: Eagle's view

Take criticisms positively, it helps you grow, the words of Ms. Drishya Shetty, Associate Partner at IndusLaw, Litigation and Dispute Resolution, Bangalore. The Internship and Career Counselling Committee organised a workshop for the second-year students on “Relevancy of Internship and Interview Tips” on 3rd June, 2023. She took the students through a roller coaster of her own life experiences plus the thrill of cracking each interview. “You are in the process of learning; any doubts now are just inquisitiveness but later they become judgmental questions. Therefore, grab the opportunities and learn as much as you can.”
